

MyFerrari App

THE WORLD OF FERRARI AT YOUR FINGERTIPS

Welcome to the MyFerrari App

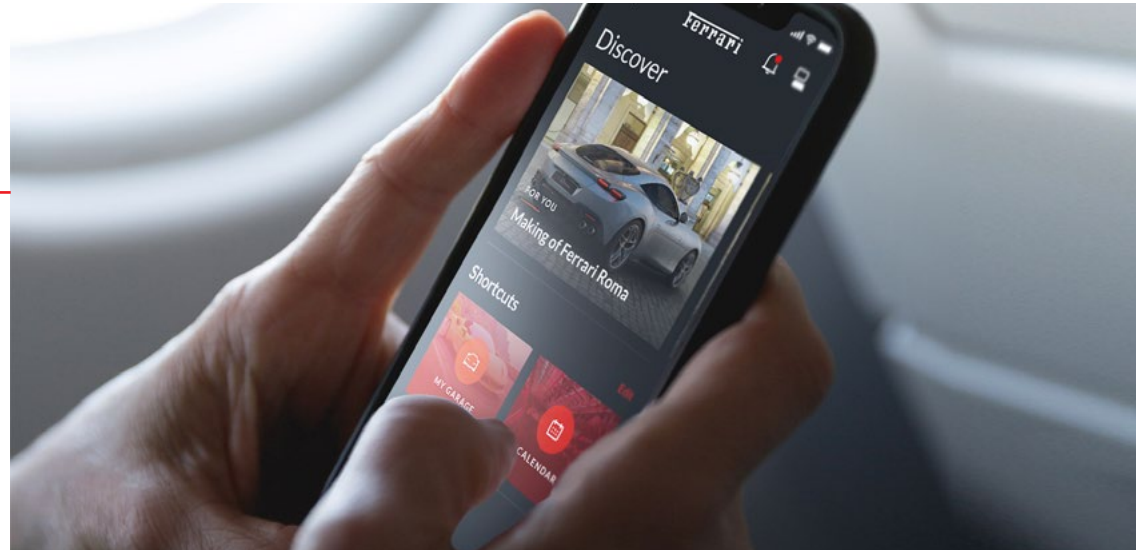

The exclusive MyFerrari App is now available to download from the iOS App Store and Google Play, it provides Ferrari owners with a range of features and services that interface directly with Maranello:

- Receive alerts and invites to exclusive Ferrari events
- Manage and personalise your Ferrari garage
- Arrange and manage appointments with your Official Ferrari Dealer
- Configure your next dream Ferrari
- Keep up to date with the latest news from the Ferrari community
- Access exclusive digital content and offers

This short user guide explains how to get the best out of the app, from setting up an account to requesting a service for your car. Please read the Getting Started section for more information.

Download the MyFerrari App today and have the entire Ferrari world at your fingertips.

Getting Started

MYFERRARI ACCOUNT CREATION

To access the MyFerrari App you first need to have created a MyFerrari Account on Ferrari.com, if you do not have an account, you can register here:

[REGISTER HERE](#)

FIRST TIME LOGIN

If you have never used the MyFerrari App before, but you already have a MyFerrari account you will need to request a Ferrari PIN which will be sent to you by SMS.

REQUESTING A FERRARI PIN

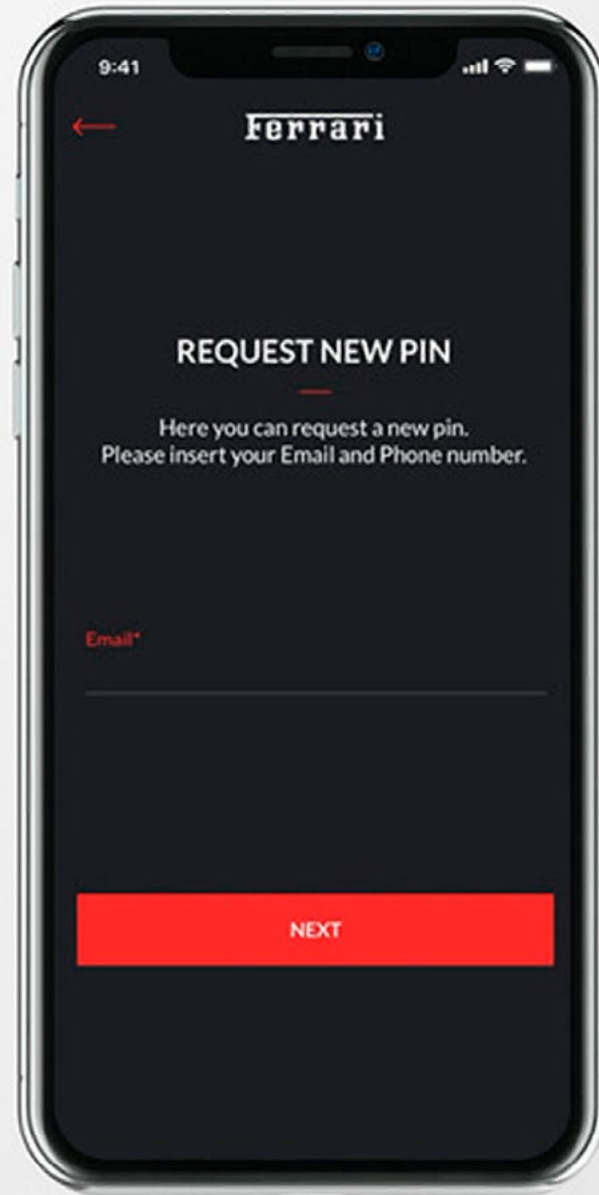

From the login screen select “Activate PIN here”, the next screen will ask “Do you have a Ferrari PIN?” Please select “No I haven’t” and follow the on-screen prompts.

COMPLETING REGISTRATION WITH YOUR FERRARI PIN

When you have received your Ferrari PIN by SMS, return to the PIN Request screen which asks “Do you have a Ferrari PIN?” Enter the PIN received and tap “next” following the on-screen prompts to complete the registration process.

MYFERRARI SUPPORT

If you are unsure of your MyFerrari account credentials or if you are having any issues logging into the app, please contact your Official Ferrari Dealer or email customerservice@owners.ferrari.com to assist you in resetting either your username or password to get you up and running.
